Lab Animal Management

- Restraint & Containment Devices
- Animal ID Systems
- Animal Health Monitoring
- Animal Surgery & Supplies
- Tubings & Catheters
- Syringe Pumps
- Neurosurgery & Physiology Equipments
Anesthesia & Euthanasia
- Anesthesia WorkStation
- Anesthetic Waste Gas Canister
- Auto Flow Vaporizer Unit
- Bio-Vac Chamber
- Classic Vaporizer Unit
- CO2 Chamber
- CO2 Flowmeter
- Flow Meters & regulators
- Gas Anesthetizing Box
- Induction Chamber
- Low Pressure Regulator with Flowmeter
- MicroVent 1
- Model 2000 Small Animal Ventilator
- Quietek™ - Automated Euthanization Device
- Small Animal Anesthesia Systems
- SMARTBOX™ Programmable Lab Control Unit
- Tabletop CO2 Flow Meter
- Versaflex Small Animal System
- Wall Mount CO2 Flow Meter
- Intravenous Osmotic Pump Catheter
- Micro Cannula System
- Molecular Imaging Catheters
- Mouse Intravascular Catheter
- Polyurethane Rat Vascular Catheters
- Restained Tail Vein Infusion Model
- Stereotaxic Brain Lesioning Cannula
- Thoracic Catheter
- VAKU-B® Safety Blood Collection Set/Infusion Set
- Vascular Catheters for Rats and Mice
- Y Connector Catheter

Animal Id Systems
- AIMS Neonate & General Rodent Tattoo Systems
- Ear Punch Pincher
- Ear Puncher
- Aramis Micro-tattoo System
- Small Animal Ear Tag

Blood Pressure Measurement
- Mouse Rat Tail Cuff Blood Pressure System

Catheter Supplies
- Blunt Tip Catheter Needles
- GentleSharp- Blood Sampling System
- Heparin/Dextrose Catheter Lock Solution
- Heparin/Glycerol Catheter Lock Solution
- Miniature Manifolds
- Sharp Tip Catheter Needles
- Skin Buttons
- Miniature Manifolds
- Sharp Tip Catheter Needles
- Stainless Steel Connectors
- Stainless Steel Port Plugs
- Straight Non-Coring Huber Needles
- Trocars
- Vein Pick

Catheters
- 32ga Mouse Catheter System
- Bile Duct Catheter
- BTing™ Catheters
- Double Lumen Catheters
- Duodenal Rat Catheter
- Femoral Catheter
- Intrathecal Catheter

Clippers And Trimmers
- Battery Operated Trimmer
- Pocket Pro Pet Trimmer
- Professional Clipper
- Rechargeable Trimmer
- Safe T-Light Trimmer
- Super AGR+ Cordless Rechargeable Animal Clipper with Sensa-Charge
- Trim’N Go

Collars, Tethers, Slings & Harnesses
- Elizabethan Collars
- LOMIR Butterfly Harness
- Luer Swivels
- Quick Connect™ Harness and Jackets
- Quick Connect™ Infusion System Complete Kits
- Rat Tethers
- Rodent Jackets
- Rodent Sling and Restraint Cover
- Rodent Tail Cuffs
- Standard Harness with Tether
- Swivel
- Swivel Mount
- Tethers

Enrichment Products
- Cocoon Nesting Fibers
- Mouse Loft
- Rat Loft
- Refuge Mouse Hut

Feeding Needles And Equipment
- Dyets Powder Feeder Jar Setup
- Flexible Plastic (PTFE) Disposable Feeding Needles
- Reuseable Feeding Needles
- Rodent Feeder Bar
- Sterile Flexible Plastic (PTFE) Disposable Feeding Needles
- Sterile Malleable Disposable Feeding Needles

Gloves
- Armour Touch Metal Mesh® Gloves
- Kevlar Goatskin Handling Gloves
- T/FLEX® Plus Gloves

Guillotines
- Close Focus Infrared Thermometer
- Pocket Infrared Thermometer

Infrared Thermometers
- Alm Retractor
- Bone Wax
- Disposable Stainless Steel Safety Scalpel
- Dissection Scissors
- Forceps
- Instrument Cases
- Micro Clip Setting Forceps
- Micro Instruments
- Micro Vascular Clips
- Microdrive System
- Microsurgical Instrument Kit
- Mouse Dissection Kit
- Multi Barrel Pipettes
- NSET™ Non-Surgical Embryo Transfer Device
- Pocket Infrared Thermometer
- Pre-Clinical Imaging Systems
- Rat Dissection Kit
- Scissors
- Specialty Scissors
- Surgical Spears
- Technocut Plus Disposable Safety Scalpels

Intensive Care Units
- 99cc Medication Nebulizer
- Canister Humidifier
- Canister Nebulizer
- Modified Pie Cage
- Thermocare® Intensive Care Units

Intubation
- BioLITE Intubation Illumination System
- BioLITE Stand
- Intubation Packs
- Rodent Work Stand
### Magnification and Illumination
- Portable Digital Microscope/Camera
- Magnifying Loupes
- Lab Light

### Matrices
- Acrylic Matrices
- Adjustable All-Purpose Acrylic Channel or Cavity Tissue/Brain Matrice
- Anodized Aluminum Brain Slicer
- Large Brain Matrices
- Metal Matrices
- Precision Brain Slicer
- Sterile Disposable Biopsy Punch with Plunger
- Tissue Matrices
- Tissue Slicer Blades

### Metabolic Cages
- Cage Stands and Racks
- Diuresis Metabolic Cage for Mice
- Techniplast® Metabolic Cage Systems

### Osmotic Pumps
- ALZET® Osmotic Pumps
- Brain Infusion Kits
- Filling Tubes
- Intravenous Osmotic Pump Catheter

### Perfusion System
- AutoMate In Vivo Manual Gravity Perfusion System

### Peristaltic Pumps
- BS-900 Programmable Peristaltic Pump

### Physiology Equipment
- “Forced Swim” Test
- ANY-maze Behavioral Tracking Software
- Automated Milker for Rat and Mouse
- DigiGait Imaging System for Gait Analysis

### Irradiation
- Modified Pie Cage
- Mouse Fixtures and Shields
- Mouse Irradiation Chamber
- Rad Disk Micro™
- Rad Disk™ and Rad Disk Mini™
- Rat and Mouse Pie Cages

### Irradiation (continued)
- Mouse Irradiation Chamber
- Rad Disk Micro™
- Rad Disk™ and Rad Disk Mini™

### Restrainers
- Bowman Style Rodent Restrainer
- DecapiCones®
- Dorsal Access Mouse Restrainer
- Economy Flat Bottomed Restrainers
- ECU™ Experimental Conditioning Unit
- Howard Flip Restrainer
- Illuminated Rodent Tail Vein Unit
- Mouse Tail Illuminator
- Rotating Tail Injector
- Solid Brass Mouse Restrainer
- Tail Snipping Platform
- Tail Vein Injection Platform
- Tailveiner™
- Universal Restrainer

### Stereotaxic
- Cunningham™ Mouse and Neonatal Rat Adaptor
- Digital Just For Mice™ Stereotaxic Instrument
- Digital Dual Manipulator Stereotaxic Instrument
- Digital Mice/Rat Stereotaxic Instrument
- Standard Stereotaxic

### Surgical Tables And Boards
- Deltaphase® Operating Board
- Rodent Work Stand
- Small Animal Surgery System
- Surgery and Micro Tattooing Platform
- Tail Snipping Platform
- Tail Vein Injection Platform
- Thermo Controlled Surgery Platform

### Syringe Pumps
- 3D Programmable Pump
- BS-300 "Just Infusion™" Syringe Pump
- BS-500 OEM Application Syringe Pump
- BS-8000 & BS-9000 Programmable Syringe Pumps
- High/Low Speed Precision Microliter Syringe Pump
- Model BSP Single-Speed
- Model BSP-99M Multi-Speed
- Programmable Microfluidics Syringe Pump
- Syringe Heater

### Temperature Control
- Animal Rectal Probes
- Flexible Implantable Probes - IT Series
- Heat Therapy Pump
- Heated Work Stand Kit
- MicroTherma 2T
- Probe Wipes
- Rodent Work Stand
- T/Pump®
- TCAT-2 Temperature Controller
- Temperature Controlled Freezing Stage
- Thermalert Monitoring Thermometer
- Thermes Temperature Data Acquisition System
- Water Heated Hard Pads
- Wessels Induction/Warming Chamber

### Transport Cages
- Emergency preparedness with disposable cages

### Tubing
- Micro-Renathane® Implantation Tubing
- Polyethylene Tubing
- PTFE Heat Shrink Tubing
- PTFE Sub-Lite Wall® Tubing
- RenaPulse™ High Fidelity Pressure Tubing
- RenaSil™ Silicone Rubber Tubing

### Warming Pads
- Deltaphase® Isothermal Pad
- Deltaphase® Operating Board
- SpaceDrapes™
- SpaceGels™
- Thermo Controlled Recovery Pad
- Thermo Controlled Surgery Platform

### Workstations
- Anesthesia Pole Stand
- Anti-Vibration Table
- Stainless Steel Mobile Workstation

### Wound Closures
- Autoclip® Wound Closing System
- Basic Sutures for Small Animal Surgery
- EZ Clip™
- Reflex 7mm Wound Closure System
