Your leading RUO Assay supplier offering more than 800 Assays & Kits from leading global manufacturers.

Dear Researcher,
Greetings from Biogenuix!

Biogenuix brings to you one of the largest portfolios of RUO Assay kits and reagents for lifescience research in India. Our products are currently being used at all leading Pharmaceuticals & Drug development companies, Research Institutes and CRO's.

Our Business Policy:

- » Offer only the best quality products
- » Put customer service before profits
- » Differentiate through service and response turnaround to any customer query.
- » Put ethics before business opportunity
- » Take initiative and apply innovation

Assays & Kit Portfolio:

Here, we are pleased to present a menu of more than 800 different RUO kits manufactured by leading global research products companies from US & European origin.

Immunoassay Kits are classified under following categories:

- Species Independent Assays
- Multi Species (Reactivity with more than one species)
- Human
- Murine (Mouse)
- Rat
- Rabbit
- Bovine
- Swine (Pig)
- Equine (Horse)
- Goat
- Feline (Cat)
- Canine (Dog)
- Chicken
- Listeria Monocytogenes

Customer Support:

All products offered by us are backed with our commitment of proven product quality, prompt supply and quick response time to any of your enquiries. Our suppliers are also committed to deliver quick resolutions to any technical queries and help you achieve the best possible results from your experiment. Please feel free to contact us or write to us.

We look forward to receive your valued support and the opportunity to service your requirements

Best regards
For, Biogenuix Medsystems Pvt. Ltd
